Trim W850mm x H2150mm

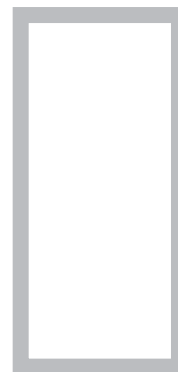

H 30mm

The light cyan area is the main body area and is what's seen. The dark cyan area needs to be the same colour as the main body but is not likely to be seen as it's rolled into the stand or is in the top clamp. The grey area shows that the press pdf needs 3mm bleed and trim marks.

Artwork should be supplied with fonts outlined and as a PDF (preferred), AI or EPS.

Please remove all guides and marks before supplying print ready files. Ensure that bleed and trim marks are used.
