

File Transfer

fox-ms.wetransfer.com

To send us files that are too large for email, please go to the website below

■ fox-ms.wetransfer.com

This will take you to the FOX WeTransfer Plus account where you have the capability of sending up to 200gb directly to us.

The 'email to' address is where you input your FOX contact's email address. Please insert your email address into the second email address section.

The below is an example of our WeTransfer Plus website.

If you have any questions regarding the sending of files, please use the contact **Pete Cusselle, Studio Team Leader on 01892 617999.**

01892 617999
